The taste of excellence, the taste of informing you

Dear Parents,

For those of you who don't know us, Merenda began in 1996. We specialize in the design and delivery of healthy meals for children in elementary schools. Our company delivers fresh meals daily, cooked with first quality ingredients. Our menus are varied and designed with the help of a dietician, in order to meet the requirements of the Canadian Food Guide and the Ministry of education. Our meals are designed to include an appetizer, main course (with protein, vegetables and rice), a dessert with the option of a beverage or no beverage.

The taste of ordering online

If you would like to sign up for our service, please log on **traiteurmerenda.com**, create your account, add your child or children and you are ready to place your order. You can order at anytime during the month, however, remember that we have a delay of two business days, so plan ahead of time if you want a meal on a particular day.

Example: If you place your order on a Monday then the Tuesday and Wednesday are not available for you to order. Next available meal will be as of Thursday.

IMPORTANT: Please make sure to have your child's group on hand before ordering.

To protect the health of your little ones, we have put in place all the preventive measures recommended by the Public Health. Rest assured that all our production and delivery employees must wear masks and disinfect their hands between each delivery. Delivery bags will be washed and sterilized after each use. Your child's health is important to us. ♥

The taste of serving you well!
