

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER
SIR WILFRID LAURIER SCHOOL BOARD

January 2018,

Dear parents and guardians,

The Sir Wilfrid Laurier School Board is proud to announce that its daycares will be open on snow days.

As you know, when the bus transportation cannot ensure the safety of students during bad weather conditions, the company cancels the transportation services for students, which results in students without transportation to their schools.

As of this year, we will offer the daycare services for snow days to students registered as regular or sporadic (occasional) users of the daycare, **AND ALREADY** registered for daycare services **on the day of the snowstorm**. The daycare will not accept drop-off students. For example, if your child comes to daycare Monday, Tuesday, Wednesday and the snowstorm is on Tuesday, you will benefit from daycare services. If it is on a Friday, you will not benefit from the daycare service because your child is not registered for that day. This rule is in place to ensure that educator to student ratio of 1/20 is respected at all times.

If you choose to keep your child home for that day, the 8.20\$ fee will be charged as usual for those students **registered** to attend daycare that day. If you choose to send your child to daycare, an extra fee of 8.00\$ will be charged to respect the extended hours of that day. This snow day will then be treated as a pedagogical day, in terms of operating hours and fees for **the students that are present**. Therefore the total fee of 16.20\$.

If you have, any questions do not hesitate to contact your school daycare technician.
