

Cans of Kindness 2018

For sixteen years, Twin Oaks students have celebrated the 100th day of school by bringing in cans for charity. The idea behind the can collection was to give 100 cans to a local food bank during a very cold and needy period. However, our community's generosity always resulted in over 500 cans being given to The Holy Name of Jesus Parish in Laval. Their food bank has come to rely on our generosity. This year we would like to continue our tradition and we challenge each homeroom to collect 100 cans. The grade six students will prepare the cans for delivery once they have been brought in and counted. Collection will end on the 16th of February, **the 100th Day of School!** You may start sending in your cans right away! **The two classes that collect the most cans will have a special treat with Grade Six.**

Thank-you for your continuous support and generosity!

The Twin Oaks Staff and Grade Six Leaders
