

## Bee the Change!

What could possibly be better than bees and fresh honey? **More** bees and **more** fresh honey!

Our honey sales were overwhelmingly popular last fall and we became sold out of honey within a few days. To help increase our honey production and help save the bees while helping the planet, Twin Oaks has decided to **adopt a second hive**.

We are fundraising until the end of April to help pay for the second hive and maintenance costs. We are encouraging families to do a **Spring Clean-Up of their household change**. Dig through your drawers, pockets and under your sofa cushions to help “make a change”. Every \$10 donation will be acknowledged with a personalized “Bee the Change” certificate posted in the front foyer near the bee hives, names will also be entered for a draw to win one of three sweet prizes after our honey is extracted in the fall. Names will be drawn on the week of April 23<sup>rd</sup>.

Please send in your donations in a **labelled envelope or baggie** with you child’s full name, class number and “Bee the Change” written on the front.

Thanks for supporting this wonderful cause!

Good Luck!
