**DONNEZ DU SANG. DONNEZ LA VIE.**

HÉMA-QUÉBEC

At Twin Oaks Elementary School we are committed to helping the community at large. From hanging scarves for the needy, filling the local food banks, honouring veterans, raising funds for research and much more in between.....we pride ourselves in giving back and lending a helping hand in times of need.

Our Twin Oaks family was deeply saddened by the untimely passing of Matthew Schreindorfer in late February. We felt helpless as cancer took the life of a young man who fought so hard and had so much to live for. A ray of light spoke from Matthew's final wish that of encouraging others to donate blood, platelets and bone marrow. This Blood Drive, which will become an annual event, was planned in order to carry on his fight.

In collaboration with Hema-Quebec, a few staff members have banded together to help Matthew's wish come true. On June 5<sup>th</sup> we will be hosting a Blood Drive at Twin Oaks Elementary School to honour Matthew. We are reaching out to our supportive Twin Oaks family and community of friends and neighbours to help Matthew "Keep on, Keepin' On" by giving the gift of life.

Twin Oaks students will be bringing home informational pamphlets to share with their families and encourage donors. You may send in the donor list up to one week prior to the event as a means for us to anticipate the number of donors to expect, however, you are under no obligation to do so in order to attend on the day of the Blood Drive.

For further details, please contact Mandy Lamoureux ([mlamoureux@swlauriersb.gc.ca](mailto:mlamoureux@swlauriersb.gc.ca)) or Karen Stoddart ([kstoddart@swlsb.ca](mailto:kstoddart@swlsb.ca)) and we will be more than happy to answer your questions.

Please feel free to share this event with your friends, family and acquaintances.
