

Litterless Lunch Challenge

During Earth Week (April 23-26), we will be acknowledging students who come to school with a "Litterless Lunch". Eligible students will receive a "Bee Kind" coupon for their support in helping to heal our planet by making an eco-friendly choice. The coupons are to be completed at home and returned in the lunchbox, they will be collected on at the end of the week.

On Tuesday, April 30th, we will choose 10 winners who will receive a special prize and "Earth Friend" certificate.

Check out the "Menu for a Litterless Lunch" for ideas on how you can make simple changes to your lunchbox and to help the environment.

Thanks for your support!
