

## Mobile app parent portal.

### Prerequisites :

- The parent portal account MUST be created.
- The child(s) MUST be linked.

### Step 1

Scan QR code from either French or English PDF.

### Step 2

Select either ISO or Android.

### Step 3

On IOS devices → Install mParent.

On Adroid device → install mParent.

### Step 5

Click on I accept (for the notifications)

### Step 6

Log in with your parent portal credentials (**e-mail address**, that you have given to the school / password)

When in the app:

**For IOS only** → when in **More**, tap the Mozaik parent portal link, you have to enter the credentials.
