

Bullying Stops Here

Twin Oaks Pink T-Shirt Day: May 11th, 2018

In an effort to promote friendship and put an end to bullying, Twin Oaks will have a pink shirt day on FRIDAY May 11, 2018. All students are requested to wear pink shirts as a show of solidarity against bullying in our school. On the 11th, we will have a school wide assembly where various classes will have the opportunity to present anti-bullying messages of peace. In so doing, we will be helping raise awareness on these issues, and students will develop the tools needed to stand up against bullies and step in when they see it happening. The students may wear their new anti-bullying t-shirt as part of the gym uniform for the rest of the year.

If you choose to purchase a pink shirt (you may purchase more than one), please complete and return this form with your **12\$ cash payment per shirt, no later than Thursday, April 19th. No late orders will be accepted.** The shirt will have the school logo as well as an anti-bullying message embossed on it. T-shirts from previous years can be worn. This year's shirt will have a new image and slogan.

Please contact Jennifer Butler at jbutler@swlauriersb.qc.ca should you have any questions.
