

T.O.E.S. Plant Sales

The Entrepreneurial Club and Earth Rangers are proud to announce their very first successful growing season. With the guidance of M. Erik Spooren, the students developed an appreciation and knowledge of growing a variety of plants from seed. We recently moved the plants to our greenhouse and planted some in our garden boxes. Much to our surprise, the greenhouse remains loaded with beautiful vegetable and herb plants, and a great opportunity to offer them for sale to our community.

Our popular varieties include cucumber, zucchini, tomatoes, parsley, basil, strawberries and more! Prices range from \$2 - \$8. All profits will be reinvested in our gardening initiatives.

Sales will be held on the following dates and times:

Friday, June 2nd from 9:00 - 11:00

Wednesday, June 7th from 12:45 - 2:15 and 3:00 - 4:30

During the Fun Fest Event on June 13th

You can find us outside of the Daycare Entrance, look for the banner and balloons!

Thank you for supporting our school and students!
