The soccer school program is an ideal way for kids to learn how to play soccer and at the same time to develop and refine their soccer skills. The teaching philosophy for this age level is largely devoted to teaching players technique, keeping tactics simple and minimal. The course concentrates on methods used in teaching the techniques of dribbling, shooting, passing and receiving. Focus is on fun, teamwork, good sportsmanship, repetition and the use of small-sided games. Children are instructed in a positive way without pressure, thus encouraging a higher level of confidence that builds enthusiasm, passion and a continued love for the game of soccer. This is on a first-come first served basis. You will not be notified if your child is accepted or not. We will let you know only if we exceed the maximum number of registration and your form and payment will be returned to you.

Children must be changed in their soccer attire; report to the gym as soon as they are ready and stay there until the coach arrives, behaving in a proper and quiet manner please. (Those students who attend Daycare must report to Daycare to sign in. They will change and be sent to the gym for 3:40 pm.)

PARENTS MUST BE HERE NO LATER THAN 4:40 p.m. THERE WILL BE NO SUPERVISION AFTER THAT TIME. THANK YOU! PLEASE DO NOT COME IN THE SCHOOL. YOU NEED TO WAIT FOR YOUR CHILD BETWEEN THE TWO DOORS. THANK YOU!

You will only be contacted if the class is full otherwise please send your child on the appropriate day. **Please keep this top portion at home to keep track of the dates.**
