

Twin Oaks Elementary School

Governing Board Annual Report

2019-2020

Submitted by

Anna Mondelli, Chairperson

Dena Chronopoulos, Principal

School Context

Twin Oaks Elementary School, situated at 700 Lisane Street in Laval, Quebec, was established in 1962. It is in a residential, middle-class area named Fabreville. A large grassed playground with a climbing apparatus for younger students as well as a more advanced one for the older students, a soccer field and a basketball court for older students are located behind the school. Indoor facilities include a cafeteria, with catering services. The menu of food items offered reflects the MEESR Nutrition Policy. In addition, we have two gymnasiums, one with a stage, and a large glass enclosed library. We regularly provide cultural and sports events, music concerts, celebrations and educational outings. We value and support numerous community and national causes. A MEESR Daycare service is offered before and after school. Over 260 students are enrolled in the daycare program. Twin Oaks Elementary School prides itself on being a learning community in which academic excellence, and strong social values are the basis for becoming lifelong learners.

Enrollment is currently at 540 students of multiple ethnic origins. English is listed as the primary language spoken at home. Subject areas are taught in French and English, the subject time allocation being approximately 65% English and approximately 35% French. The teaching staff is largely bilingual and the majority is female. Twin Oaks Elementary provides a safe environment for all students and promotes safe and respectful interactions among our students. Our anti bullying and anti-violence (ABAV plan) policy is firmly in place. A code of conduct policy is passed each year at the Governing Board level and is given to all parents via the student agenda. A program for rewarding positive behaviors (*Caught Being Good*) is in place.

We have a diverse staff at TOES. Along with the Principal, and 1 Vice-Principal, there are over 35 teachers. There are 13 attendants, 9 Daycare Educators, 1 Daycare Technician, 1.8 secretaries. In addition, we have 1 part-time Behaviour Technician, 1 Psychologist, 1 Speech and Language Therapist, 1 Librarian, 1 Nurse, 1 Social Worker, and 2.5 caretakers.

Student engagement is an important consideration of the teaching staff. Project-based activities and the use of technology continue to be incorporated in the classroom, and will continue to be incorporated in the development of lesson plans next year. The school is equipped with a wireless network, access to computers and iPads and many new additions have been installed to align ourselves as a 21st Century learning institution.

Students, in addition to their MELS curriculum, participate in a variety of activities. A complete list of initiatives is outlined within our GB Standing Resolutions (Appendix 1). Several highlights are as follows:

- Terry Fox Run
- Remembrance Day Ceremony
- Community Breakfast
- Winter Carnival

- Deeds of Establishment
- Enrollment Criteria
- Transport – the use of STL, change of hours
- School Safety Zones

Twin Oaks has a dedicated Governing Board and Parent Participation Organization. Both Committees meet regularly and have demonstrated their commitment and interest to school improvement.

Recommended priorities for the coming year 2020-2021

- Continue to fulfill legislative requirements as laid out in the Quebec Education Act. The Governing Boards' decisions were always made in respect to the school's mission statement: ***Twin Oaks Elementary School provides a solid educational foundation to achieve both academic and personal growth. Our goal is to develop responsible citizens and life-long learners. Through a committed partnership between students, staff and community, we are dedicated to uphold diversity and mutual respect.***
