Dear Parents/Guardians,

Welcome back everyone and Happy New Year. Please consult the school monthly calendar so not to miss anything. Also, check our calendar on the web site, sometimes new items are added to it after the calendar has gone out.

We have sent home a letter following the holiday break. Please make sure to read and review with your children so that the expectations are clear. Please note that students in grades 1-6 are highly encouraged to have an extra mask available each day at school. Many are choosing to wear theirs during outdoor recess and as a result, it gets wet and not effective afterward. We are working together so that your children remain safe at all times.

GIVING TUESDAY

A big shout out to all who supported our Giving Tuesday event. Thanks to your sweet support we will be donating

32 soaps

to a nearby charity to bring some holiday spirit and joy to those who are less fortunate.

Our bees are buzzing with cheer!

P.P.O. NEWS CORNER

The P.P.O. would like to wish students, staff, and parents a very healthy and prosperous New Year! With December behind us, I would like to take a quick moment to thank the P.P.O team and the TOES staff for a successful milk and cookies distribution just prior to the Holiday break. Cookies and milk were generously donated by Maxi Fabreville.

As we head into the depth of winter, the team is working to warm our student's tummies up with the return of our ever-popular Pizza Days! (making sure of course that safety and appropriate sanitary measures remain our top priorities) Look out for more details this month.

Our Fundsript fundraiser is still running! You don't have to wait for a special occasion to participate. You can obtain gift cards (both electronic and plastic) to a large number of retailers like grocery stores and drug stores which you can use yourself for your day-to-day activities.

Remember that you can contact the P.P.O. by email at twinoaksppo@live.ca.

Our next meeting is scheduled on January 14th at 7:00 pm via Zoom. All are welcome to attend.

The poster features the LTMHS logo at the top left, which includes the motto "SCIENTIA VINCIT OMNIA" and the year "1952". To the right of the logo, the text "OPEN HOUSE" is written in large white letters. Below this, the date and time "January 14th, 2021 6:30 pm" are displayed in a stylized font. A woman in a yellow top is shown holding a tablet. In the center, a laptop screen displays "3-D Tour + Virtual Info Session" with a small LTMHS logo below the text. Below the laptop, the text reads "In our small school, we guarantee you won't get lost in the crowd. Find out how we go above and beyond for our students." To the left of this text is an image of several hands stacked together. To the right, the text "YOU BELONG HERE!" is written in large white letters. At the bottom, a quote states: "At LTMHS we are wired to connect: to each other, to the community, to the environment, to the world."
