> The taste of excellence, the taste of informing you

→ The taste of saying HELLO

A new school year is upon us, we hope your summer vacation has been relaxing and rewarding. We are so happy to welcome you and serve your little treasures.

For those of you who don't know us, Merenda is an existing business since 1996. We specialize in the conception and delivery of healthy meals for children in elementary schools. Our company delivers fresh meals daily, cooked with first quality ingredients. Our meals include raw vegetables, main course and dessert.

→ The taste of ordering online

Service begins on: Monday September 12, 2022

To place an order you simply have to go to our website traiteurmerenda.com, create your account, add your child or children, and select your meals.

IMPORTANT: You must have your child's group on hand before ordering.

You can order at anytime during the month, however, remember that we have a delay of two business days, so plan ahead of time if you want a meal on a particular day.

If you want your child to enjoy our meals from the first day **Monday, September 12, you must order online no later than Wednesday, September 7**. If you are not able to order before the deadline, your menu will simply start on Tuesday, September 13.
