Dear Parents/Guardians,

The first official communication, the progress report has been sent out, the reporting consists of general comments on progress only. Please take the time to review the information with your son or daughter. If they are experiencing difficulty within a subject are it is important to reach out to their teacher prior to the end of first term.

Students are expected to be at school on time each day. The drop off zones are located on rue Martin and rue Marian.

We encourage everyone to take the time to read the monthly calendars and newsletters emailed home.

We would like to thank you for your flexibility, adaptability and encouragement. Continue to be well.

Ms. Chronopoulos J. Savard

Priority is given to students experiencing academic and social difficulties. Parents who are not approached for an interview may request one should they feel it to be necessary.

P.P.O. NEWS CORNER

Despite the current environment, your P.P.O. was hard at work last month! With Halloween spirits alive, the team pulled through and got the good folks at Kiosque des Ancêtres to provide each student with their own pumpkin. Great work and a big thanks to the school staff who helped with the distribution!

We hope to continue to provide the students with an enjoyable school year, while respecting all the necessary guidelines, and are entertaining different fundraising options. We are always looking for great fundraising ideas; your suggestions are welcome.

Donations of any kind are greatly appreciated as we are always in need of prizes for our raffles.

Remember that you can contact the P.P.O. by email at twinoakspoo@live.ca. Our next meeting is scheduled on November 18th at 7:00 pm via Zoom.

All are welcome to attend.
