MESSAGE FROM THE PRINCIPAL

Thank you to all of the parents who attended the General Assembly/Curriculum Night on August 28th. Your vote to elect parents who represent you on the Governing Board is very important and we appreciate your involvement in this process. Thank you to all our new and returning members of P.P.O. as well. Our first meeting has been scheduled for tomorrow, October 3rd at 6:30pm (in staff room). We are still welcoming new members. Please contact Patricia Massimo at pmassimo@swlauriersb.qc.ca for more information.

This year, our school is continuing to take part in school improvement projects. We are involved in the integration of restorative practices initiative that focuses on social/emotional resolve within the classroom; we will continue to promote more physical activity throughout the week for all students through the 'A L'école on Bouge au Cube' measure; we are supporting our school team with the implementation of flexible seating and universal design in several classrooms. Our aim is to 'engage' all students and get our kids moving more throughout the day.

Principal Vice-Principal

TERRY FOX RUN

We would like to thank everyone who joined us on September 27th and who made a contribution to our *Terry Fox Run* this year. We had a PERFECT day to run for a great cause and show our support. We appreciate everyone who took the time to join us, including our community police liaisons.

We raised over \$3,000 that we will be forwarding to the foundation.
